SERVING GOWANUS, PARK SLOPE, PROSPECT HEIGHTS & WINDSOR TERRACE

## Berkeley Carroll kids help 'Ghost' grab brace ring

First graders from the Berkeley Carroll School, who have been studying their neighborhood and adjoining Prospect Park, helped the carousel in Prospect Park by initiating a coin drive to collect the \$500 needed to sponsor the upkeep of one of the 51 horses. They chose a steed named "Gray Ghost," (right) carved in 1912, to support. As the coins poured in, the students tallied the donations, which totalled \$776 when the drive was done. The money was donated to the Prospect Park Alliance to care for "Gray Ghost" and the carousel, and help with general upkeep of the park. First graders from the school, 181 Lincoln Place, came out to meet their mascot, look at the brass plaque affixed to the carousel, and enjoy free rides.
