Green Auction

This year's green auction has more opportunities than ever to show your support for the Prospect Park!

• Zone Gardener at the Boathouse - \$3,000

Help keep the natural areas and paths surrounding the Boathouse beautiful. Your gift funds a share of our gardener's salary and provides tools and materials.

• Litter Receptacles – \$1,000

Over 1,000 tons of trash is removed each year from the Park. These attractive permanent receptacles allow us to manage and maintain a more beautiful Park.

• Send a class on an educational visit to the Park – \$500

Other opportunities will be available at the Ball.

If you have questions about the Green Auction, please contact Frank Accosta at Lorelei Enterprises at (212) 838-2660 x21 or via email to

faccosta@loleleievents.com.

The Silent Auction

The Prospect Park Ball Silent Auction offers close to 100 interesting and unique items, ranging from dining and entertainment packages to sports items to works of art by local artists. Check back for our silent auction preview.

This year we are pleased to premiere BidPal®, an electronic interactive wireless auction bidding process. With BidPal®, you can bid anytime, anywhere at the Ball. You can bid on items, watch items, and be instantaneously alerted when you have been outbid.

At the end of the auction, you know exactly what you have won. BidPal® eliminates the need for paper bidsheets, enhances the fun you can have with other Ball guests – no more running back and forth to the bidding tables – and has a proven record of increasing revenue which can be used immediately by the Alliance for its vital work. Volunteers will be available throughout the evening to assist you with BidPal® or help you place bids from computer kiosks

located throughout the tent.
