PROSPECT PARK IDENTIFIED AS MACY’S “HEART YOUR PARK” FUNDRAISING PROGRAM RECIPIENT IN BROOKLYN

Macy’s partners with the National Recreation and Park Association to raise funds for local parks nationwide, with every dollar matched by Macy’s, up to $250,000

(BROOKLYN, NY) – March 5, 2014 – Prospect Park has been selected for “Heart Your Park,” a program introduced as part of Macy’s “Secret Garden” campaign that aims to raise awareness and dollars for local parks across the country. From March 7 to March 31, customers at Macy’s Downtown Brooklyn Store (located at 422 Fulton Street) can donate $1 or more at the register, with 100 percent of the donations benefiting Prospect Park. To further spread the love, Macy’s will match the total customer donation across all stores, dollar for dollar, up to $250,000 in total.

Prospect Park is one of more than 550 parks nationwide that will benefit from Macy’s “Heart Your Park” this spring. In partnership with the National Recreation and Park Association (NRPA), the national non-profit organization dedicated to the advancement of community parks, recreation and conservation, Macy’s stores across the country have each selected a local park or green space in their community to support through the program. Donations will go toward making improvements, such as maintaining trails, playgrounds, and ball fields, and everything in between.

“We are thrilled to partner with Macy’s and NRPA for ‘Heart Your Park’ this spring,” said Eric Landau, Vice President of Government and External Affairs, Prospect Park Alliance. “We are excited about the increased awareness and additional support for Prospect Park, through this wonderful program. Prospect Park is vital to the community, and we greatly appreciate Macy’s support.”

“Heart Your Park” is part of Macy’s “Secret Garden” spring campaign that will come to life at Macy’s stores and on macys.com with an infusion of garden-inspired merchandise, special promotions and events.
