Be a Park Champion

Follow these simple rules to keep the Prospect Park Lake healthy and safe for all to enjoy:

- All fishing is catch and release. No trapping of fish or other wildlife. To report a violation, contact 877-457-5680.
- No barbed hooks or lead fishing weights. Use needle-nose pliers to flatten the barb.

- Fishing line can entangle birds and other wildlife and result in injury or death. Discard fishing line fragments and hooks in marked fishing line bins or trash cans.
- Persons age 16 and over are required to have a New York State fishing license. Call 866-933-2257 or visit dec.ny.gov/permits.

For more information, visit prospectpark.org/fish.
