The Prospect Park Alliance Corporate Volunteer Program is the perfect way to engage your employees, clients and colleagues in a fun, active day in Brooklyn's Backyard while giving back to the community. Work alongside our expert staff on custom-created projects to restore and sustain the park while fostering teamwork and collaboration amongst your group.

Centrally located with easy access to major transportation, Prospect Park is one of New York City's premier public parks and Brooklyn's #1 destination for outdoor recreation and relaxation. Prospect Park Alliance is the non-profit organization that sustains, restores, and advances Prospect Park for the diverse communities we serve in partnership with the City of New York.

To plan your volunteer day, [please fill out our group inquiry form](#) and a staff member will get back to you with more information.

Past participants include:

Silver \$5,000

- One three-hour volunteer day experience for up to 30 people
- Logo and hyperlink listing on Prospect Park Alliance website volunteer page
- Group photograph and dedicated post featured on one of the Alliance's social media pages showcasing your company's support of the park

Gold \$10,000

- All benefits listed above, plus:
- Additional volunteer day (two events for up to 30 people each, or one event for up to 60 people)
 - Invitations for four people to the Alliance's exclusive "Prospect Partner" events for one year, which give high-level donors an insiders' look into the park and the Alliance
