Ready for more Nature Play?

Follow the map to the Zucker Natural Exploration Area in Prospect Park (or another location of your choice!) to try out these activities!

1. Magic potions! Start with a jar and some water and the possibilities for a magic nature potion are endless. Explore the changing sights, sounds and smells when you add dirt, leaves, water, or rocks to your potion.

2. Nature Collage! On your walk to through the park, collect leaves, acorns and rocks and create a beautiful nature collage on the ground. (Be sure to leave these in the park for the animals.)

3. Go on a Nature Shapes, Textures & Colors Scavenger Hunt! How many different things can you find?

Follow Brooklyn Nature Playtime! on Instagram and share your our nature play fun with #brooklynnatureplay #prospectpark.

Brooklyn Nature Playtime! is funded by the Disney Conservation Fund and is a partnership between the Prospect Park Zoo, the Prospect Park Alliance and Tinkergarten.
